

### **3/31/2020 Updated:**

#### **To Our Wonderful Residents & Guests:**

As part of our COVID-19 response, we want to provide you with as much information as we can about the park's response.

- We are committed to your safety! Making sure you are safe and healthy is our highest priority. We know you are anxious and nervous about the COVID-19 emergency, and we will do whatever is necessary to support you during this difficult time.
- Below is the information on the park's response to the COVID-19 PANDEMIC.
- We will not be taking any new reservations until after April 30, 2020.
- No cabin rentals until further notice.
- We will review these plans weekly so call our office whenever you need to get the most updated information! 386-427-2284

#### **Office Visitor Policy**

- The maximum number of people allowed in the office at one time is 1. If you wish to enter the office, you knock and wait for someone to let you in, or call us beforehand for an appointment. Wait at a 6 foot distance.
- The office hours will be shortened. Office hours will be 8:30am-6:00pm every day.
- Our restroom hours will be 8:30am-6:00pm and will be sanitized every 3 hours.
- The Laundry room will be opened from 8:30am-6:00pm. We will sanitize every 3 hours. It will be closed all other times.
- The Game room, Pavilion, playground and all other public areas except for the pool will be closed.
- The pool will remain open during office hours if social distancing is followed. If we see it is not being followed, we will close the pool.
- No Visitors or Vendors are allowed at sites or in the park without being screened at the front office.
- All New Customers will be screened in the front office before checking in.
- No hugging or shaking hands. Practice social distancing at all times!
- All Parties and events have been cancelled. We are asking you to do the same. Please do not have groups of people at your site or at the lake.
- PLEASE ASSESS YOURSELF FOR ILLNESS. IF YOU ARE EXPERIENCING ANY OF THE SYMPTOMS OF COVID-19 {Corona virus}. We ask that you immediately proceed to a doctor, then call us at 386-427-2284 to inform us that this has happened.

**REMEMBER WE ARE IN THIS TOGETHER! Hopefully, if we all follow the CDC Guidelines we can stop the pandemic and our lives can get back to normal!!**

**Stay Healthy! The health & Safety of our guests is our #1 priority!!!**
